

# Alpena Area Chamber of Commerce 30th Annual FLOG Fest

Our FLOG Fest is going extinct! After three decades of golfing fun, we have decided that the 2017 FLOG Fest, the 30<sup>th</sup> annual, will be our last. This decision was not an easy one to make and is based on many factors including dwindling participation and the desire to engage in activities that have greater impact on our members. Because our event is going EXTINCT, we want to go out with an ENORMOUS amount of fun. The event will feature a dinosaur theme, a champagne toast and retirement cake, and some super-sized games that you will want to DINO-SCORE on! More information on the event and how to get involved can be found on the reverse side of this. Early registration is important. We look forward to your participation in our final FLOG Fest – join us before it goes extinct!
