DEAR SUPPORTER OF THE ARTS,

Please use the poster on the reverse side as a reminder of the upcoming 2017-2018 season program. Make sure to mark your calendars for these events, and stay tuned to our website and Facebook page for more details and event updates.

Door tickets for each ticketed event are \$15 per person or two tickets for \$25 if pre-purchased.

Please purchase a TBArts Pass for the season. With a \$50 TBArts Pass, enjoy admission to all events including Showcase Series (excludes dinner for Smoke & Music - requires additional ticket) and be eligible for a grand prize drawing for a pair of passes the following season. It's a real bargain worth over \$100 compared to individual door tickets. Pass holders are members of the Thunder Bay Arts Council. Tickets and TBArts Passes are NOT tax deductible.

Consider becoming a patron of TBAC by making a charitable contribution (tax deductible) along with the purchase of your TBArts Pass(es). For every \$250 tax deductible contribution, receive one TBArts Pass free (\$50 value).

Help us celebrate the arts in all their diverse forms. Arts, and promotion of the arts, make a lasting difference!

Best Regards,

The Board of Directors of Thunder Bay Arts Council

MISSION

The mission of Thunder Bay Arts Council is to promote, support, and preserve the arts through performance, education, and leadership.

PHILOSOPHY

Thunder Bay Arts Council believes "The Arts Make a Lasting Difference" in the life of each member of our community.

Thunder Bay Arts Council is dedicated to increasing awareness and involvement in the arts throughout Northeast Michigan.

We provide enrichment opportunities across generations, including children, youth and adults regardless of sex, creed, race, or handicap.

We sponsor an annual program of events and activities highlighting an array of musical, performing, and visual arts of local, state, and national interest to the region.

We provide leadership in promoting and marketing the arts and in building collaboration with other arts and cultural organizations to maximize community impact.

We work to preserve the arts by operating in a fiscally responsible manner.
