

## *Loren Jackson*

Loren works for Wolverine State Credit Union and has been an Ambassador since June 2019.

**What is your favorite thing about Alpena?** My favorite thing about Alpena is the combination of friendly, community-oriented people and the natural beauty of the Lake Huron shoreline (and ease of access to the natural beauty).

**What do you like best about your job?** What I enjoy most about my job is communicating and sharing a great company, Wolverine State Credit Union, with the community.

**What is your favorite season?** The turn of every season is my favorite. Right now I'd have to say summer is my favorite because I've missed it!

**Why did you become an ambassador?** I wanted to become an ambassador to grow my involvement in the community and help with projects that make Alpena a cool and fun place to live.

**Why do you choose to live and work in Alpena?** I'm not originally from Alpena. I choose to live and work here because I love being part of this community, I love being close to so much natural beauty and I love my job.

**Tell us about a funny thing you did recently?** Planted in my garden at 6 a.m. (in my pjs) before my baby woke up and before the rain and before work. I felt very crazy.

**What is your favorite restaurant?** Hard to say... locally I love Austin Brothers and Hungry Hippie.

**What is your favorite outdoor activity?** Anything outdoors and close to water is my favorite. Kayaking, catching sunrises, sunsets, volleyball, family bike rides, hiking, snorkeling, working in the garden....

**Describe yourself in one word.** Dynamic.

**What is your favorite book and/or movie?** Any movie/book that makes me think. I'm a sucker for the Rocky movies, guilty. And It's a Wonderful Life.

**My friends would say I am** frugal, fun and one of a kind. And they did say that. Those exact words.

**If I had a super power it would be** telekinesis. Bending spoons and opening windows without standing up.
