What is your favorite thing about Alpena? It's very hard to nail down a favorite, but the best part about Alpena is the scenery! What an amazing drive to work every day!

What do you like best about your job? I am passionate about helping others- and even though finance may not be the most exciting or rewarding career, it is great to help a family learn how to afford college for the children or to see others be comfortable in retirement. I also work with a group of AMAZING people that make work not seem like a JOB!

What is your favorite season? Autumn.... The winds of change, harvest moons, sweatshirts and jeans.... The smell is awesome!

Why did you become an ambassador? I became an ambassador to help make a difference in Alpena. I love this town and want to be a part of the exciting adventure that growth can bring. I want to welcome new residents, businesses and opportunities and help make everyone love this town as much as the Ambassador Group does!

Why do you choose to live and work in Alpena? Family. First and foremost, the most important people in my life are my family! My nephews are a part of the Sports Community in Alpena and I can't imagine not being able to go to all their home games because I lived far away- they are my world and I am so happy to be able to watch them grow up!

Tell us about a funny thing you did recently? Not Funny- but FUN! Went to New Orleans and experienced Bourbon Street and the French Quarter- Also rode my very first Rollercoaster this spring and the picture on my face is worth a THOUSAND WORD! I was scared and hated EVERY SINGLE MINUTE!

What is your favorite restaurant? Locally it's a tie between The Cellar and The Courtyard! Both have amazing food and the service is always Top Notch! When I travel I always have to hit a genuine Japanese Restaurant to get my Sushi fill!

What is your favorite outdoor activity? Summer/Fall- Hiking; Winter- Snowmobiling; Year Round- Fishing

Describe yourself in one word. Whole-Hearted

What is your favorite book and/or movie? Favorite movie of all time is Rocky IV... it just jacks me up and makes me want to be a champion- weird, I know

My friends would say I am Funny

If I had a super power it would be Invisibility
