Presented by Michael Eckert, CSP, CSHM, CAWC, Director of Loss Control Services, Accident Fund Insurance Company of America. Mike Eckert's career has provided him with multiple perspectives on workplace/jobsite safety programs to observe first hand and assess "what works", and conversely, what does not. In his role he oversees a staff of 40 safety professionals in 26 states. Mike has over 25 years of experience as a safety practitioner and holds the Certified Safety Professional, Certified Safety Health Manager and Certified Authority on Workers' Compensation designations. In 2004 he was named the Michigan Safety Professional of the Year and in 2005, the American Society for Safety Engineers' Safety Professional of the Year for a six-state region.
