

# An Hour of Your Time May Be Worth More Than You Think

## **Schedule your retirement review today.**

It's been said that we spend more time planning vacations than planning for retirement. Schedule your retirement review so you can understand:

- How much you'll need to retire
- If you are on track for your retirement goals
- Which IRA is right for your retirement needs - Roth or traditional
- The importance of asset allocation and how it can help as you work toward your long-term goals

**Let's set aside some time to make sure you are on track for the retirement you have envisioned.**
